

APPENDIX 6

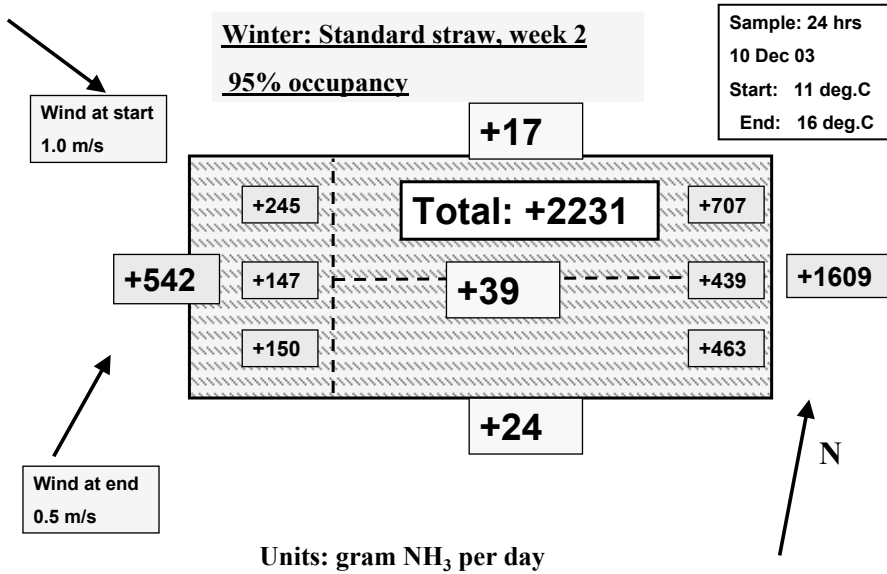

Results for trials at Aller Barton Farm, Crediton

Schedule and straw level

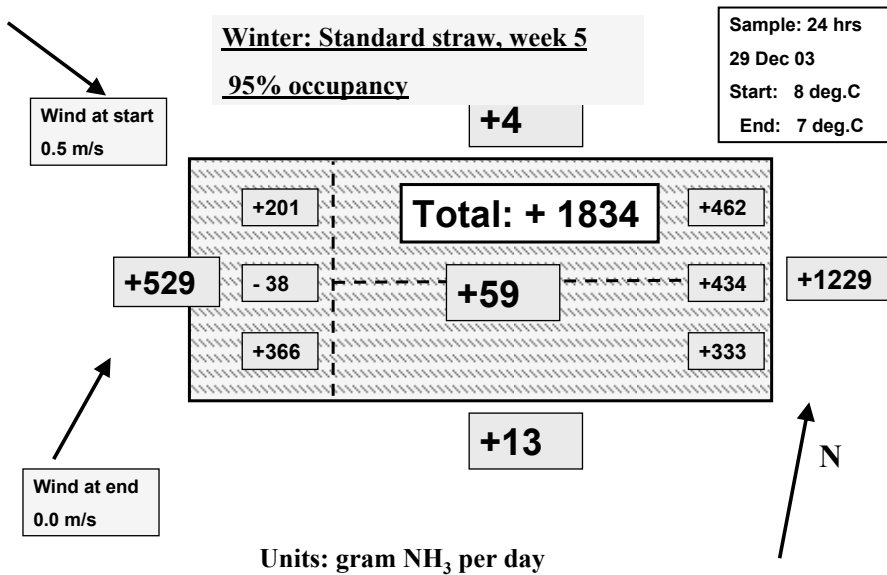

Series 1:	even straw/standard amount	Jan 2004
Series 2:	even straw/200% standard	Feb 2004
Series 3:	even straw/150% standard	Oct 2004

NB: Problems with dust in series 1 and 2 led to a change of method. Laser technology was used for the final trial which had to be delayed to the Autumn when the animals were returned from pasture.
